**Subject: Permanent Confidentiality request for FCC ID: XRF-NIM2113**

To whom it may concern

Pursuant to sections 0.457(d) and 0.459 of CFR 47, the applicant requests permanent confidential treatment of the following information accompanying this application:

- Schematics
- Bills of Materials
- Internal Photographs as per KDB 726920 D01 v01r02 section II (3)
- User manual as per KDB 726920 D01 v01r02 section II (3)
- Operational Descriptions
- Tune-up procedure

With regard to internal photographs and user manuals:

- The NIM2113 cellular basestation is sold B2B to local, state and federal law enforcement, for professional install in a restricted access location inside law enforcement vehicles.
- The device is sold subject to a signed Non-Disclosure Agreement, NDA, and please see submitted example NDA.

Domo Tactical Communication has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Yours Sincerely

Charlie Blackham  
Director
